

November 2017 Newsletter

Dear Parents and Students:

Thank you to all our students who are attending classes regularly. Their dedication and faithful attendance will pay off in increased progress and dramatic differences in ability levels. Students may attend a make-up class on a different day when they miss their class. You can check the class schedule online at tarisdance.com or at the front desk to find another day/time for your child's class. In addition, private lessons are available if your dancer has missed class or is falling behind. Please speak to your child's teacher about privates.

Remember we have several payment methods: Pay on or before the 5th of the month to avoid a 10% late charge!

1. You can automatically charge your tuition to your credit/debit card. This saves you time and money and no late charges! If interested, see the front desk for further details.
2. Pay by cash, Mastercard, Visa, AMEX, Discover or Debit Card at the front desk
3. Pay over the phone with Mastercard, Visa, AMEX, Discover or Debit card

Tired of trying to find change for the snack bar? You can set up an account for your child at the concession stand.

Lost and Found items will be picked up and taken to the Salvation Army by the 15th of each month. Please check the lost and found box ASAP! If you leave an item, please return to the studio immediately to retrieve it.

News from the Tari Wear Store: Tari Wear has a lot of new clothes available for your dancer! New jazz tops, shorts, leotards, and skorts! Many new styles, fabrics, and colors to choose from! Christmas will be here in no time, so place your orders by the end of this month to ensure your dancer's stocking has exactly what they need.

Safety Reminder: Students are not allowed to wait outside of the building for their parents to pick them up. They are to wait inside the door and exit the building when their ride arrives under the covered area. Parents of younger children must come inside to get their child. Thank you for your cooperation!

*****Please do not leave your child here unattended if not in class!! They are not supervised by anyone when they are not in class.**

Parking: Please do not park in handicapped parking if you do not have a handicapped tag. Police will ticket you! Also, we had a burglary in our parking lot where a window was broken and a purse stolen. Do not leave valuables in your car!

*****Be careful about turning into the parking lot the wrong way. Several people stated that they have almost been in an accident because of people trying to turn in the "out" driveway. DO NOT PARK at the front door to wait for your children. You block parents who have their children in their car and who are trying to drop off or pick up their children at the door.**
